

To whom it may concern:

I would like to take this opportunity to thank Ansley Park and its representatives for the valuable years of residency there. This letter will act as a notice of ending our residence there. As of May 1, 2014 the Pogue family will no longer own or occupy the mobile home at 50 Lillian Cr. I hope this is well with you and we part on great terms. I wish long success for Ansley Park and all residents. Again thank you all for the service and friendship you have provided, it is sure to not go unblessed.

Sincerely,

Tony R. Pogue 4-7-14
